

1 ENVIRONMENTAL POLICY

Coefase Pty Ltd is committed to the prevention of pollution and considers responsible management of environmental issues as an essential component of its business.

Coefase Pty Ltd is committed to implementing and maintaining an Environmental Management System that continually improves and ensures that its business operations are conducted in an environmentally responsible manner and the methods at a minimum comply with current legislative requirements.

Coefase employees and management will assess the risk on the environment of existing operations and any changes as contemplated for areas under their control and minimise the risk where possible.

1.1 The objectives

- Eliminate emission where possible and minimise emissions to within the relevant standard.
- Have zero uncontrolled emissions to the environment
- Minimise harm to the environment

1.2 The Process

- Maintain adequate hazardous waste materials management and disposal procedure records.
- If required Ensure that local emergency procedures incorporate environmental issues and that the procedures are reviewed regularly and updated as required.
- Ensure that all accidents and incidents, which pose potential harm to the environment, are reported to the relevant statutory authority, that internal investigations are carried out, and that recommendations arising out of investigations are implemented.
- Identify and utilise environmentally sound, technically acceptable products, practices and services, and where practicable selecting natural resources which can be recycled, re-used or disposed of safely;
- Ensure that all employees receive training to perform their tasks in a manner designed to comply with legislative requirements and minimise any negative impact on environment;
- Ensure that employees and contractors adopt a high standard on environmental responsibility
- in the workplace and off the job;
- All employees are responsible to ensure that they comply with the policies and procedures and in signing this policy is confirming acceptance of responsible compliance.
